

# Bahamas Outdoor Power EK Battery

## Overview

---

What is Ek solar energy's environmental health and safety policy?

Environmental Health and Safety Policy. Ensure environmentally friendly, safe and humanized product design. EK Solar Energy's energy storage products include solar energy storage systems, energy storage batteries and intelligent energy management solutions.

Who are smart battery energy storage systems?

We Group stands at the forefront of Smart Battery Energy Storage Systems (Smart BESS), offering a comprehensive range of products and services catering to diverse sectors. Our industrial and commercial BESS solutions encompass a wide array of capacities, designed to power large-scale operations and guarantee uninterrupted energy supply.

Who is Ek solar energy?

EK SOLAR ENERGY's Comprehensive Smart Battery Energy Storage System (Smart BESS) Offerings We Group stands at the forefront of Smart Battery Energy Storage Systems (Smart BESS), offering a comprehensive range of products and services catering to diverse sectors.

Who is ekstrakku battery?

Who we are, what you can gain?

Extrakku Battery Company Limited (EK Battery Brand) was established as a manufacturer and exporter of VRLA battery since 2003. We totally cover an area of around 100,000 square meters, with 11 battery production lines and corresponding testing machines, 2 research and development centers in Jiangsu and Fujian.
