Who is a power bank manufacturer?

We, as a power bank manufacturer, can supply quality power bank for any brands of phone, with any capacity of batteries Shenzhen Houny Battery Co., Ltd., founded in 2005, is a high-tech enterprise integrating R&D, production and sale of power bank, power station and lithium battery pack.

What is a power bank?

Power banks are more than simple batteries: they use complex electronic circuits to manage charging and then charge other devices. We act as a power bank factory to power your electronic devices for longer working hours. The purpose of mobile power is to reduce power usage and save power.

Where can I buy portable chargers & power banks?

Shop portable chargers and power banks at MEC: Keep your electronics fully charged out in the wild with MEC's selection of gear from brands like Goal Zero, BioLite and more.

What makes a good power bank?

A truly good power bank is a balanced blend of three core elements: the capacity to hold power, the speed to deliver it, and the convenient features that make it easy to use. Getting these three things right is the first step toward finding a reliable power source for your daily adventures. **How Much Capacity Do You Really Need in a Good Power Bank?**
