

Canberra solar Glass Sun Room

Overview

What is a Canberra glass enclosure?

This Canberra Glass Enclosure, is the perfect way to live outdoors all year round. Using a combination of glass and screen in your sunroom design is a savvy way to expand and enhance your home. In this Canberra residence, the gable roof amplifies the sense of space without weather or insect disruptions.

What is a sunroom & a glass enclosure?

Sunrooms are the bridges that connect the inner sanctuaries of our homes with the beauty of the outdoors. They are a space where the line between inside and outside blurs. This Mid Coast Patio Glass Enclosure is the perfect example of a space that allows you to enjoy the best of your backyard with all the creature comforts of home.

Can a gable roof be used in a sunroom?

Using a combination of glass and screen in your sunroom design is a savvy way to expand and enhance your home. In this Canberra residence, the gable roof amplifies the sense of space without weather or insect disruptions. Sunrooms become ideal venues for family meals or intimate dinners. The beauty of a sunroom is its versatility.

What is the difference between a sunroom and a patio glass enclosure?

They are a space where the line between inside and outside blurs. This Mid Coast Patio Glass Enclosure is the perfect example of a space that allows you to enjoy the best of your backyard with all the creature comforts of home. Sunrooms provide the ideal space to take in the view.
