

Cape Town Solar Panel solar container power supply system Manufacturer

Overview

Who is somewatt solar Cape Town?

Welcome to SomeWatt Solar Cape Town! We are a Cape Town based solar energy solutions company. Our individually tailored solar PV and battery backup systems designs turn roofs into reliable, renewable power sources. Harness the Cape Town sunshine and ditch load shedding with SomeWatt Solar.

Which inverter brands are available in South Africa?

We specialise in most of the popular inverter brands in South Africa, namely, Sunsynk, Deye, Kodak, FoxESS, Fronius, Solar Edge and battery brands such as, Freedom Won, Solar MD, Volta, Dyness and Pylontech. SomeWatt Solar is considered one of the top solar installers in Cape Town with a reputation for excellence.

Can solar power be used in South Africa?

South Africa's sunshine is perfect for solar! PV panels capture sunlight and create electricity. These solar panels generate DC power which an inverter converts to usable AC power for your home. Excess solar power can be sent back to the grid for credits or stored in batteries for nighttime use.

Where can container power solutions be implemented?

Our container power solution can be implemented in various ways, including, but not limited to power backup, off-grid solutions, emergency power, energy stabilization and in various industries like hospitals, factories, corporate buildings, power stations and data centers. Looking to get more information about our Container Power Solutions?
