

# Copenhagen energy storage container mass customization

## Overview

---

What is energy storage container?

SCU uses standard battery modules, PCS modules, BMS, EMS, and other systems to form standard containers to build large-scale grid-side energy storage projects.

Does Danish Container Supply offer a commercial kitchen?

DC-Supply A/S - Danish Container Supply offers rental of a commercial kitchen of 130 m<sup>2</sup>, which consists of a total of 11 combined container modules. To Voks, a socio-economic company that delivers plants with care for both people and the environment, DC-Supply has delivered a custom-built hydrocontainer for plant growth.

What energy storage container solutions does SCU offer?

SCU provides 500kwh to 2mwh energy storage container solutions. Power up your business with reliable energy solutions. Say goodbye to high energy costs and hello to smarter solutions with us.

Who sells custom-built containers?

We sell custom-built containers. DC-Supply A/S - Danish Container Supply's vast expertise and extensive experience places them as Denmark's foremost expert when it comes to custom-designed, innovative container solutions that will meet almost any conceivable need. Our skills ensure a well-executed project, delivered on time - every time!
