

# **East Timor Folding Container Three-Phase Financing**

## Overview

---

What is the 'one port' project in East Timor?

Equally significant is the "One Port" project. The Tiba Port project, constructed by China Harbour, is located 10 kilometers west of the capital Dili. The main body of the port is a 630-meter-long dock, including a 7000 TEU berth and a 3500 TEU berth. It is the first modern international container freight terminal in East Timor's history.

What is the financial system in Timor-Leste?

The financial system in Timor-Leste comprises commercial banks, microfinance institutions and credit unions, with a strong presence of foreign banks primarily serving international organizations. The national bank, BNCTL, has the largest lending portfolio and significant outreach.

Will East Timor enter the 'high-speed era'?

The Su'ai Expressway, constructed by China Railway Corporation, is seen as a landmark project for East Timor to enter the "high-speed era". The first phase of the Suai Expressway project has a total length of 30.355 kilometers, with a design standard of four lanes in both directions and a speed of 80-100 kilometers per hour.

Is e-commerce a key component of Timor-Leste's development agenda?

E-commerce is emerging as a key component of Timor-Leste's development agenda, especially as the country seeks greater integration with regional markets, particularly the Association of Southeast Asian Nations ( ASEAN ).
