

High quality power switchgear in Hungary

Overview

Which is the best switchgear manufacturer in Europe?

This switchgear manufacturing company is considered the biggest industrial manufacturing firm in Europe along with branch offices across the globe. Siemens is one of the best switchgear manufacturers along with annual revenue of over \$83 billion across the worldwide market. Ultimately, Orecco is switchgear manufacturer located in China.

Who makes HV switchgear?

For more than 10 years, DOHO has deployed thousands of HV switchgear across the globe earning a place in the list of electrical switchgear manufacturers that you can trust. Over the years, we've also developed new technologies, acquiring several patents along the way.

What is Intelligent Switchgear?

Intelligent switchgear is the future of high voltage power systems. DOHO's intelligent HV switchgear is designed with a control system that autonomously monitors, alerts and protects your equipment from faults using our own made software. We are also ODM and OEM switchgear manufacturer.

Why do you need a high voltage switchgear?

High voltage power systems must operate safely to protect both personnel and equipment or circuits. DOHO supplies modern HV switchgear that offers higher levels of reliability, safety, and lower maintenance requirements, providing for uninterrupted and safe operations. Do you intend to upgrade your switchgear or expand your company in the future?
