

# Himel circuit breaker factory in Mauritania

## Overview

---

What are Himel miniature circuit breakers?

Introducing Himel brand Miniature Circuit Breakers (MCBs), engineered for superior performance and unmatched reliability. These MCBs are designed to provide automatic shut-off protection against overloads and short circuits, ensuring the safety of your electrical systems.

How does Himel air circuit breaker work?

Himel air circuit breaker automatically interrupts the current flowing through it when the current exceeds the trip rating of the breaker. Air is the medium of electrical insulation between electrically live parts and grounded (earthed) metal parts.
