

# **Huawei Dubai New Energy Storage**

## Overview

---

Why did Huawei participate in the electricity connect 2024?

The Electricity Connect 2024, held by Indonesian Electricity Society (MKI) and themed Go Beyond Power: Energizing the Future, took place in Jakarta from November 20 to 22. Huawei was invited to participate and received the prestigious Best Partner of Electric Power Digital Transformation and Energy Transition award from the MKI.

What is Huawei's intelligent power distribution solution?

Huawei's Intelligent Power Distribution Solution contributes to the implementation of transparent sensing of power distribution transformer districts and the enhancement of intelligent service capabilities, providing users with a greener, more stable and safer power consumption experience.

What is Huawei Connect 2022?

At HUAWEI CONNECT 2022 Dubai, Huawei released the White Paper on Electric Power Communication All-Optical Network Architecture and Technologies to facilitate the digital transformation of the electric power industry.

What is Huawei Electric Power Summit 2025?

Themed Thrive with Digital, Accelerating Electric Power Intelligence, Huawei Electric Power Summit 2025 was held in South Africa's port city of Cape Town.
