

Huawei UK solar panels

Overview

What is Huawei fusion solar?

Huawei FusionSolar offers leading Smart PV solutions, harnessing more than 30 years of expertise in digital information technology. By integrating AI and Cloud technologies, Huawei FusionSolar further incorporates the latest ICT advancements into PV for optimal power generation. This makes solar power plants that are H.

Where can I buy Huawei fusionsolar products in the UK?

Huawei and SKE have stopped supplying Huawei FusionSolar products in the UK. Limited stock for existing Huawei-designed projects can be ordered from Alternergy until 15th December (shipping from Ireland or Austria). From 1st January 2026, Huawei inverters, batteries, optimisers, and accessories will no longer be available from Alternergy.

Does Huawei have a UK Support Team?

Huawei's UK-based support team will remain operational, providing technical assistance, warranty services, and support for existing systems. All warranties will continue to be fully honoured by Huawei in the UK. Alternative Solutions: We offer Tier 1 brands including Sungrow, Haier, and GoodWe for inverters and storage solutions.

Is Huawei a good inverter company?

Huawei is a global leader in the inverter market, with over 90GW of inverter capacity shipped between 2015 and 2019 - the highest capacity shipped worldwide. They cover residential to utility level inverters which, combined with the large capacity sold, gives them a broad experience to draw from to create the highest quality products.
