

Ireland s leading UPS manufacturer

Overview

Who is Riello ups Ireland?

Riello UPS Ireland Ltd is a leader in the manufacture of uninterruptible power supplies (UPS) and standby power systems from 400VA to 6.4MVA. We enable reliable power for a sustainable world by offering products that combine engineering excellence, quality, performance, and exceptional efficiency.

Does Riello ups Ireland come with a warranty?

For applications needing longer battery autonomy choose extended runtime versions incorporating powerful chargers and additional battery boxes (2200-3000VA only). As with all Riello UPS Ireland systems up to and including 3 kVA purchased from Kelliher's Electrical, the SDH comes with an extended 5 year warranty as standard.

What is industrial UPS power protection?

Proven Industrial UPS power protection for control applications and harsh environments. Reliable protection for industrial controls. High availability, ruggedized power protection for shipboard and other transportation applications. Rugged solutions for demanding environments.

Who is Kohler uninterruptible power Ireland?

Kohler Uninterruptible Power Ireland, originally formed as Pure Power Systems, became part of KUP in 2017 and has built a strong presence in Ireland and Northern Ireland from its facilities in Dublin and Limerick. Like its UK parent, Kohler Uninterruptible Power Ireland has established an enviable reputation based upon:
