

Jakarta Monocrystalline solar Panel BESS

Overview

Is Sembcorp launching a solar project in Indonesia?

Sembcorp has launched a 50MW solar project with a 14.2MWh battery storage system in Nusantara, Indonesia's future capital. This is Sembcorp's first large-scale solar venture in Indonesia, developed in partnership with PT PLN Nusantara Renewables.

Why is PLN launching a Bess project in Indonesia?

As well as being the country's first co-located BESS and solar PV project, it is also the first renewable energy project to be developed and financed for Indonesia's new capital and the first project to reach financial close after changes arising from PLN's holding-subholding corporate reorganisation.

Who is PT Sembcorp & PT PLN Nusantara renewables Indonesia?

This is Sembcorp's first large-scale solar venture in Indonesia, developed in partnership with PT PLN Nusantara Renewables. PT Sembcorp Renewables Indonesia partnered with state-owned PT PLN Nusantara Renewables to complete the development.

Will Sembcorp & PLN partner on a 50MW solar project in Nusantara?

Sembcorp and PLN partner on a 50MW solar project in Nusantara, with advanced energy storage to support the future capital's power needs.
