

Lobamba rooftop solar panels for sale

Overview

How much does a hybrid solar system cost in Lombok?

Like most business and home owners in Lombok, Mr. Y decided to go for a solar energy system with batteries, a.k.a. a hybrid system, so that he can still power his house sufficiently during power cuts. The initial investment for a hybrid solar panel system such as this might look rather high at IDR 300 million (approx. USD 15,000).

How much does a solar system cost in Bali and Lombok?

How much does a solar panel system cost in Bali and Lombok?
