KDM is your professional solar battery enclosure manufacturer in China. We will supply the best enclosures for your business, shipping worldwide. Protect your solar batteries with our tested, waterproof enclosures today!.

What is a wall-mounted solar battery enclosure?

Wall-mounted enclosures use mounting brackets, screws, and pads for installation onto a wall. Wall-mounted solar battery enclosures are perfect for small batteries in public places. Also, this design is the most common one for solar battery enclosures. Wall-mounted battery enclosure.

What are battery enclosures & cabinets?

Battery enclosures and cabinets are a safe way to store batteries and to protect them from the elements as well as providing a line of defense against theft.

What is a solar battery enclosure?

Free-standing enclosures and floor-mounted enclosures are perfect either for large solar batteries or many batteries that are too heavy to be wall-mounted or pole-mounted. Free-standing battery enclosures could be of any height, width, and depth according to your requirements. They can be portable if you choose to include casters.
