Where can I buy solar equipment in Myanmar?

Several equipment manufacturers and suppliers serve Myanmar's solar market. It is also possible to import locally unavailable solar equipment from established markets like China and the USA. Myanmar boasts several ports that allow you to receive imported solar equipment from any part of the world.

Is Myanmar ready for solar power?

With a solar power probable capacity of 51 Terawatt-hours annually, it has barely scratched the surface of its potential. However, things are looking up for Myanmar's solar prospects if recent developments are anything to go by. Despite continuing political instability, the government of Myanmar recently completed a 1 Gigawatts solar tender.
