

Nairobi solar Glass Exhibition 2025

Overview

Who sponsored the 2024 solar installation Expo in Kenya?

SUNGROW was the principal sponsor. 2024's Solar Installation Expo in Kenya also showcased country pavilions from Korea, China, and India. This solar products expo in Kenya attracted trade delegations from different countries, including those from East Africa.

What is solar Expo Kenya?

Solar Expo Kenya is a leading platform bringing together global innovators, industry leaders, and decision-makers in East Africa's booming renewable energy sector. Discover the latest in solar, wind, geothermal, and sustainable technologies while building valuable connections and supporting Africa's clean energy transition.

Why should you attend a solar energy trade show in Nairobi?

The energy exhibition in Nairobi will provide the delegates with an opportunity to interact with international organizations, suppliers, investors, technology experts, and EPC companies. This solar energy trade show is going to be a perfect place for both global and local market entrants to build partnerships and get new business deals.

How many delegates attend Solar Expo in Kenya?

This solar products expo in Kenya attracted trade delegations from different countries, including those from East Africa. More than 400 delegates – mainly investors – and 50 world-renowned speakers will attend the energy conference, which will span more than 3 days. If playback doesn't begin shortly, try restarting your device.
