

Off-grid folding container for campsites

Overview

What is off-grid camping?

Off-grid camping is camping without power or water. This type of camping allows you to explore amazing places off the beaten track and stay there for longer with a little planning and preparation.

What is Mobil grid® 500+ solarfold?

Mobil-Grid® 500+ solarfold is a 20 Feet ISO High Cube container, with CSC certification, which integrates a plug and play pre-wired deployable and redeployable solar plant. The strong points of the Mobil Grid® 500+ solarfold: This question is for testing whether or not you are a human visitor and to prevent automated spam submissions.

How do I get a backcountry container?

Purchasing a standard container option from our website is the quickest and most affordable way to get your Backcountry Container, as it reduces a lot of the lead times and indirect costs that go into building a fully custom container home structure. Same quality, better price, delivered to you. Are there any extra costs or fees?
