

Ottawa Solar Fan Direct Sales

Overview

Who is Ottawa solar power?

Since 1996, Ottawa Solar Power has been a leader in renewable energy for the National Capital Region, with over 1,000 installations spanning residential homes, businesses, and off-grid projects. As Eastern Ontario and Western Quebec's most experienced solar provider, we deliver reliable, tailored, and sustainable energy solutions for every need.

Where can I buy solar panels in Canada?

Solacity - Canadian Green Power Goods & Great Advice! Free shipping on retail orders of \$250 or more before tax *! Truck-Freight and NU - NT - YT excepted. Solacity - Canada's Solar Specialists! Great pricing on solar supplies and other renewable energy goods; solar panels, inverters, batteries, charge controllers, racking etc.

Why should you choose a custom solar installation for your Ottawa home?

Our customized residential solar installations are designed for Ottawa homes to reduce hydro costs, increase property value, and help you make a lasting environmental impact. Lower Bills. Higher Home Value. Cleaner Energy. Live Anywhere. Power Everything. Go Off-Grid with Confidence.

What is omnipv solar fan?

OmniPV Solar Fan features a monocrystalline silicon solar panel that concentrates energy, paired with 3mm diffused tempered glass for even sunlight distribution. These high-quality materials make for efficient and reliable solar-powered ventilation, reducing energy costs and dependency on traditional power sources.
