

Outdoor Power Charging Kit

Overview

What is the best battery charger for camping?

If you're camping, wrap them in your clothes or even keep them in your sleeping bag so they stay warm. One of the most innovative bits of outdoor kit we've seen recently, The Charge AnyWay from GP Batteries is a 2-in-1 battery charger and power bank. It comes with 4 x nifty RecyKo+ rechargeable AA batteries.

What can a portable power station charge?

Whether for home or your camp outdoors, a portable power station provides you with backup power. Portable charging stations can charge most high-power appliances such as refrigerators, air conditioners, hair dryers, microwaves, coffee makers, ventilators, heaters, electric grills and more.

Should you use a portable battery charger if you're off-grid?

In recent years, the rise of portable battery chargers or power banks has meant that heading into the great outdoors no longer means going off-grid. And being able to keep your devices charged even when you're miles from the mains has some undeniable benefits. After all, a functioning phone can be a lifesaver in an emergency.

How do you keep a battery from recharging when camping?

Low temperatures can reduce the speed at which a battery discharges. If you're camping, wrap them in your clothes or even keep them in your sleeping bag so they stay warm. One of the most innovative bits of outdoor kit we've seen recently, The Charge AnyWay from GP Batteries is a 2-in-1 battery charger and power bank.
