

# Pack small battery equipment

## Overview

---

What is the main business of a battery pack assembly company?

The main business is to provide solutions for the lithium battery pack assembly production line, include: battery insulation paper sticking machine, battery cell sorting machine, battery spot welding machine, battery test equipment, battery PCM tester, battery BSM tester.

Where can I make a battery pack?

BatterySpace provides provides full set of desk-top equipments and accessories for making battery packs by yourselves. We have a demo laboratory in California to train you how to make battery pack prior purchase.

Why should you choose winack battery?

Winack Battery have built more than 30 battery pack assembly production lines. Choose WinAck Battery, choose professional, and choose worry-free. Winack Battery always focus on battery pack assembly equipment and battery test equipment. Our products continuously upgraded and improved according to feedback.

Who is winack battery?

Winack Battery always focus on battery pack assembly equipment and battery test equipment. Our products continuously upgraded and improved according to feedback. Xiamen WinAck Battery Technology Co., Ltd. is located at Xiangbei Industrial Zone, Xiamen City, China.
