

# **Papua New Guinea Communications 5G Base Station Pilot**

## Overview

---

Does Papua New Guinea have a new mobile operator?

SES and Vodafone. New mobile operator will boost further digital opportunities in PNG Luxembourg, 1 June 2022 – Papua New Guinea (PNG) now has a new mobile service provider to choose from as Digitec Communications Limited (t/a Vodafone PNG) and SES have partnered up to provide 4G and 5G high-speed mobile broadband services.

Is Digicel ready to roll out 5G services in Papua New Guinea?

Digicel PNG says it is ready to roll out 5G services across the country following strong results from its initial network testing phase. Chief executive officer Tarik Boudiaf said the 5G trials have delivered impressive outcomes in speed, latency, and efficiency, showing the network's potential to transform connectivity in Papua New Guinea.

Will 5G drive Digital Inclusion and economic development in PNG?

“These early results indicate that 5G will enable us to drive digital inclusion and support innovation and economic development across PNG,” Boudiaf stated. He noted that the company is awaiting the green light from the National Information and Communications Technology Authority (NICTA) to proceed with the commercial launch.

Who is Vodafone in PNG?

Having started services in April, Vodafone is the third largest and newest mobile operator in PNG. Its entry into PNG’s telecommunications market addresses the demand among consumers and businesses for reliable high-speed connectivity and broadband Internet access.
