

# **Papua New Guinea Energy Storage Power Distributor**

## Overview

---

What does Pacific Energy do for Papua New Guinea?

Pacific Energy has acquired the Shell assets in 2010 to supply the Port Moresby International Airport. The Pacific Energy Group plays a key role in the international supply of Papua New Guinea. 2 new tanks will be commissioned in 2017 in order to optimize and extend our storage capacities and better serve our clients.

Who regulates the electricity industry in PNG?

The electricity industry and power pricing is currently regulated by the Independent Consumer and Competition Commission (ICCC). PNG's National Energy Policy anticipates the eventual establishment of separate Energy Regulatory Commission. With the advent of the PNG LNG project in 2014, PNG began exporting LNG.

Where does PNG Power service customers?

PNG Power services customers in almost all urban centres throughout the country encompassing industrial, commercial, government and domestic sectors. Where possible, the services extend to rural communities adjacent to these urban centres.

Who owns PNG Power Ltd?

State-owned PNG Power Ltd is the major power utility in PNG, with responsibility for power generation, transmission, distribution and retailing. It is one of a number of state-owned companies owned by the state-owned umbrella company, Kumul Consolidated Holdings.
