

Replacing a breaker in China in Greece

Overview

Does China want to expand its economic presence in Greece?

As a result, the report says, while China is still seeking to expand its economic presence in Greece, it is also focussing on cultural and educational ties, including contacts with universities, twinning arrangements with Greek towns and the promotion of Chinese language and culture.

Is China a major investor in Greece?

While the Prime Minister Kyriakos Mitsotakis has said on more than one occasion that “China is not a major investor in Greece”, there have been some notable major projects, initiated in the wake of IMF pressure for Greece to privatise public assets at the time of the financial crisis.

Which Chinese project is most important in Greece?

The most significant Chinese project in Greece is undoubtedly the takeover of the port of Piraeus. The port is owned by the Greek state and operated by Piraeus Port Authority (PPA) which is majority owned by China COSCO Shipping, the third largest container ship company in the world.

Why did China visit Greece?

The Chinese Ambassador to Greece, Xiao Junzheng, described the visit as “a journey of friendship built upon political mutual trust”, “a journey of cooperation anchored in common development”, and also “a journey of exchanges and mutual learning between two ancient civilizations”.
