Why should you choose SIGEN solar inverter Max?

Straightforward Solar. Choose Sigen PV Inverter Max for your solar system when you're certain you won't need battery storage in the future. Efficient while reliable, our inverter is simple to install and easy to manage. More powerful than ever.

How much does San Diego solar cost?

the first time. Dirk and his company exceeded all of my expectations. The price was phenomenal, the installation was flawless, and the system operates better than expected. We used to pay between \$200-\$300 per month on electricity. Our bill is now anywhere from \$0-\$10. Thanks San Diego Solar.

Where can I get a free solar installation quote?
