

Sophia Battery Energy Storage Company

Overview

Who is Shanghai Zee energy storage technology?

Shanghai ZOE Energy Storage Technology Co., Ltd., established in 2022, is dedicated to providing global users with safe, efficient, and intelligent energy storage product system solutions. The company is headquartered in Shanghai, with its R&D center in C.

What is China's Energy Storage Center?

Through strategic partnerships with the Chinese Academy of Sciences, Zhejiang University, and the University of Electronic Science and Technology of Chengdu, the center advances the development and application of cutting-edge energy storage technologies. The company operates advanced energy storage factories with a total capacity of 4GWh.

Why is energy storage important?

In the global energy transition, energy storage is key to integrating generation, grid, load, and storage systems. It enhances grid stability, addresses renewable energy intermittency, and supports a resilient, efficient, and sustainable energy infrastructure, enabling the seamless adoption of clean energy.

Who is Zee energy storage?

ZOE Energy Storage established, with an R&D center that developed liquid cooling ESS and planned a intelligent factory. Product: Launched the Z Box Series ESS and obtained relevant certifications. R&D: Achieved TÜV Rheinland Witnessed Test Lab qualification. Manufacturing: 2GWh factory launched, 12GWh capacity planned.
