

Subway station folding container DC installment payment

Overview

What is a DC Metro farecard?

A DC Metro farecard is a paper ticket with a magnetic strip. You can load money onto it and use it to pay when you enter and exit a DC Metro station. Farecards can be purchased at any metro station from a machine using cash or a credit card.

Where can I buy a subway ticket?

It can be bought at a ticket dispenser or from a ticket booth. The metro system has introduced electronic ticketing so you should carry some change. A single journey ticket can be used only one time on the day you buy it within the subway lines and stations you choose.

How to buy a subway ticket in Shanghai?

Go to Shanghai Metro Guidance to know how to buy a ticket. Shanghai metro adopts a 'one-ticket transfer' system. You can take a single subway line or transfer to other lines at some major transfer stations such as People's Square, South Railway Station, Indoor Stadium, Xinzhuang, Zhongshan Park, Century Avenue and South Xizang Rd.

When will open payment start on Metro?

Open payment is expected to begin in May of 2025 on Metrorail. In the summer of 2025, it will roll out on Metrobuses, followed by Metro parking facilities in late fall.
