

Swedish glass solar module manufacturer

Overview

Who makes swemodule solar panels?

At this time the factory had about 300 employees and a yearly production of $\approx 160\text{MWp}$ solar panels. In September 2016 the SweModule factory was bought by Renewable Sun Energy Sweden AB (RSES AB) The factory is located outside Arvika, Sweden.

What is the difference between glass and plastic solar modules?

Glass/Glass modules withstand air and moisture and offer best cell protection, while plastic backsheets of glass/foil modules become porous. The Glass/Glass composite protects solar cells against micro cracks and thus ensures long-term operating life of 40 years and more.

Where are Midsummer solar cells made?

Midsummer's solar cells are a Swedish innovation and are manufactured both in Sweden and Italy. With a minimal weight of only 3kg per square meter, our solar cells enable installation on roofs with weight restrictions without compromising the structural integrity of the roof.

Where are Midsummer's solar panels made?

Midsummer's solar panels are manufactured in our own production facility in Järfälla.

Top 10 Solar Powered Glass Manufacturers in the World 2025

Oct 17, 2025 · Top 10 Solar Powered Glass Manufacturers in the World 2025 2025-10-17 Is Solar Photovoltaic Glass the Future of Sustainable Building Power? Solar photovoltaic (PV) glass is ...

List of Glass manufacturers in Sweden in 2025

2 days ago · There are 33 Glass manufacturers in Sweden as of November, 2025. Download latest business data with contact info, ratings & locations.

About us

About us Midsummer is a Swedish solar energy company that installs discrete solar roofs that we manufacture in Järfälla with 90% lower carbon footprint than traditional solar panels. We have ...

76 companies for Solar Panel Manufacturing in Sweden

SunRoof specializes in manufacturing building-integrated solar roofs that combine roof tiles with photovoltaic cells, offering innovative 2-in-1 solutions that enhance energy efficiency and ...

Latitude Solar

Latitude Solar AB is a Swedish manufacturer of high level photovoltaic modules. Located in the northernmost part of Sweden, 85 km north of the Polar Circle, we are producing high quality ...

Midsummer

After manufacturing, the solar cells are assembled into complete solar panels at the same locations. Our solar panels are designed to be compatible with various roofing materials, ...

Glass made for the sun

AGC offers extra clear float glass products for a broad range of solar applications. Your single source: High-efficient float glass production, ...

Top 10 Solar Powered Glass Manufacturers in ...

Oct 17, 2025 · Top 10 Solar Powered Glass Manufacturers in the World 2025 2025-10-17 Is Solar Photovoltaic Glass the Future of Sustainable Building ...

Glass/Glass

Glass/Glass modules withstand air and moisture and offer best cell protection, while plastic backsheets of glass/foil modules become porous. ...

Glass made for the sun

AGC offers extra clear float glass products for a broad range of solar applications. Your single source: High-efficient float glass production, glass coating, glass processing as well as high ...

Midsummer

After manufacturing, the solar cells are assembled into complete solar panels at the same locations. Our solar panels are designed to be compatible ...

Glass/Glass

Glass/Glass modules withstand air and moisture and offer best cell protection, while plastic backsheets of glass/foil modules become porous. The Glass/Glass composite protects solar ...

About us - Swemodule

The first start of module manufacturing in Hillringsberg Since year 2003 Hillringsberg is once again an industrial district, thanks to Alf Björseth, the founder of REC and ScanModule. In ...

Ranking of Swedish photovoltaic bracket manufacturers

Ranking of Swedish photovoltaic bracket manufacturers What is the PV industry in Sweden? The Swedish PV industry mainly contains of small to medium size installers and retailers of PV ...

About us

About us Midsummer is a Swedish solar energy company that installs discrete solar roofs that we manufacture in Järfälla with 90% lower carbon ...
