

Thailand new energy solar panel manufacturer

Overview

Who is Thai solar power?

Thai Solar Power specializes in providing high-quality solar energy solutions, including solar panels and energy storage systems, for both residential and commercial use. The company is dedicated to making solar energy accessible and affordable in Thailand, managing the entire installation process to ensure reliable and innovative energy solutions.

Who makes solar panels in Thailand?

Headquartered in Nonthaburi, Soleos Solar Co., Ltd. is another leading manufacturer and supplier of solar panels in Thailand. The company was established in 2009, and since then, it has been providing an extensive range of photovoltaic products, including mono and poly-crystalline modules.

Is Thailand a good place to buy solar panels?

Thailand, known for its rich culture and picturesque landscapes, is also quickly becoming a global leader in renewable energy. The country's strategic location and climate make it an ideal place for harnessing solar energy, fostering a diverse range of solar panel manufacturers and suppliers.

Where are photovoltaic modules made in Thailand?

The company's massive 72MW photovoltaic module production facility is located in Bang Pa-in, Ayutthaya. They offer an extensive product range, which includes solar cells, modules, and complete photovoltaic power generation systems. The company's mission is to contribute to Thailand's energy sustainability by focusing on renewable energy.
