

Tunis City Photovoltaic Container Manufacturer 600kW

Overview

Does Tunisia have a solar PV project?

Since the end of 2016, the Tunisian government has embarked on the implementation of its programme for development of electricity production from renewables. In this framework the Ministry of Industry and SMEs launched an international tender for solar PV projects in 2019 with a total capacity of 500MWac.

Will there be more solar auctions in Tunisia?

To meet this demand, the authorities are planning further solar and wind auctions in the years to come. In 2019, Scatec was awarded 20-year PPAs, with options for 10-year extension, with the Tunisian state utility STEG for the two solar projects totalling 120 MW.

Who owns Sidi Bouzid & Tozeur solar projects in Tunisia?

The agreement enhances the partners' collaboration in Tunisia, building on the success of the 60 MW Sidi Bouzid I and 60 MW Tozeur solar projects currently under construction. Scatec will own 50% of the Sidi Bouzid II project, while Aeolus will own 50%.

Does Scatec own a solar project in Tunisia?

In 2019, Scatec was awarded 20-year PPAs, with options for 10-year extension, with the Tunisian state utility STEG for the two solar projects totalling 120 MW. Scatec will own 51% of the equity in the project, with Aeolus, part of the Japanese conglomerate Toyota Tsusho Group owning the remaining 49%.

Tunis City Photovoltaic Container Manufacturer 600kW

Photovoltaic Panel Installer, Tunisia

Green Power Company, leader in photovoltaics in Tunisia since 2013, meets the needs of individuals and professionals in renewable energies.
