

Wholesale replacing a breaker in Us

Overview

Where can I get a replacement breaker?

To get a replacement Bryant Type BRD BR 15-15 CU-AL SWD circuit breaker, find an Electrical Supplier in your area. If you are in a remote location and the nearest supplier is more than an hour away, consider getting a replacement through a local Electrician. Note that Bryant is now replaced with Cutler Hammer products, so a Cutler Hammer/Eaton reseller would be more than happy to help you.

Is it worth replacing a circuit breaker?

If your breaker trips frequently, feels hot, or you notice a burning smell, turn off the power and call an electrician right away. These are signs that the cost of replacing a circuit breaker might be worth it to avoid bigger issues like fires or electrical damage.

How much does it cost to replace a breaker switch?

The cost to replace a breaker switch for a circuit, including components and installation, can be as much as \$200. Each breaker switch, especially the bigger 20-amp ones, costs between \$10 and \$20. The more common 15-to-20-amp switches typically cost between \$5 and \$15.
